[G]You've been riding on ranges
You're not supposed to ride
Hanging out with strangers
And cowgirls of the [G7]night
While back at the [C]ranch house
I've waited all night [G] long
Now [A7] here you come
Straggling in [D7]at the break of dawn

[G]You've been a bad cowboy
Go to my room
You've been doing a whole of things
You shouldn't oughta be a [D7] doin'
Like [G] horsin around down [G7]town
Kay ay [C]yipping and wild women
[D7] You've been a bad cowboy
Go to my[G] room.

[G]You've been a letting those cowgirls
Buzz around like bees
Trying to get free samples of
What belongs to me [G7]
You've been burning the [C] candle honey
At both [G]ends
And you're [A7]looking a lot like
Something the cat dragged [D7] in

[G]You've been a bad cowboy
Go to my room
You've been doing a whole of things
You shouldn't oughta be a [D7] doin'

Like **[G]** horsing around down **[G7]**town
 Every **[C]** morning night and noon
[D7]You've been a bad cowboy
 Go to my **[G]** room.

Yeah **[D7]**you've been bad
 I can always tell
 When **[G]**you've been up to no good
 It's **[A7]**all so sad
 Cause I know so well
[D7] You'd be good if you could.

But honey, **[G]** you've been a bad cowboy
 Go to my room
 You've been doing a whole of things
 You shouldn't oughta be a **[D7]**doin'
 Like **[G]**horsing around down**[G7]**town
 Kay ay **[C]**yipping and wild women
[D7] You've been a bad cowboy
[D7] You've been a bad cowboy
[D7] You've been a bad cowboy
 Go to my**[G]**room**[D7][G]**
