## Verse:

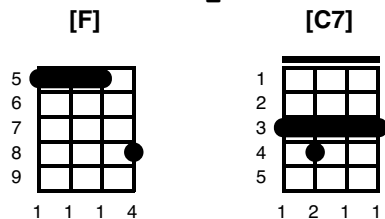

Roll along prairie moon

Roll a long while I croon,

Shine a bove lamp of love

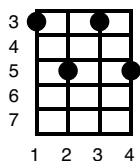

Prairie moon.

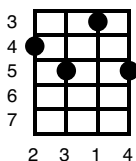

Way up there in the blue

[Gm7]

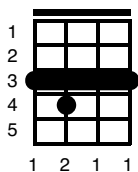

[G7]

Maybe you're lonely too

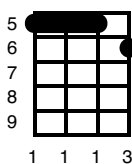

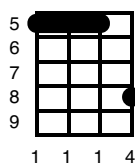

[C7]

Swinging high in the sky

[F]

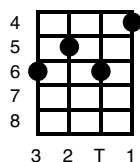

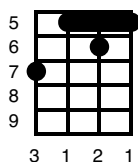

[F7]

Prairie moon.

[Bb]

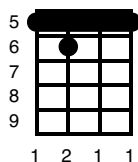

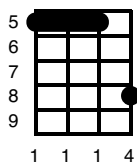

[Bbm]

I need your tender light

[F]

[D7]

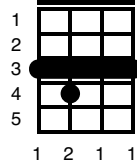

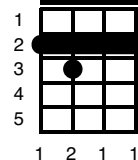

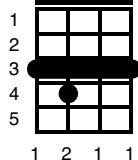

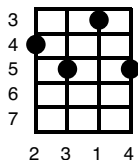

To make things right

[G7]

[C7]

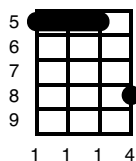

[B7]

[C7]

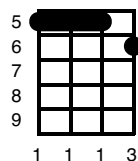

You know I'm so alone to night.

[F]

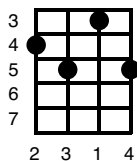

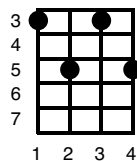

[F7]

Far away shed your beams

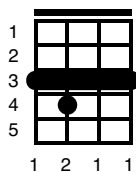

[Gm7]

[G7]

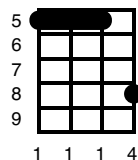

On the girl of my dreams

[C7]

Tell her too, I've been true

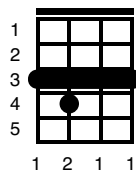

[F]

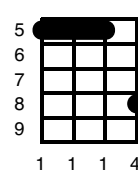

Prairie moon.

## Bridge:

[C7]

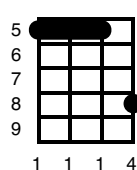

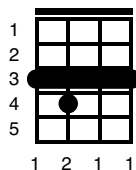

[F]

There's a wonderful light in the sky tonight

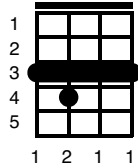

[C7]

[F]

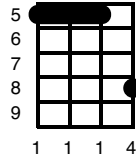

With silver the hills are sprayed

[C7]

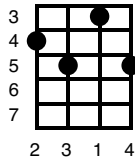

And the moon seems so near

[F]

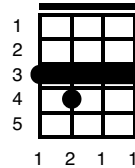

That I know it will hear

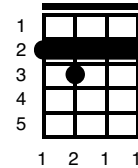

[G7]

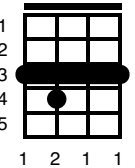

[C7]

[B7]

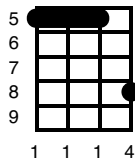

[C7]

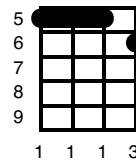

Every word of my love seren ade
