Intro:

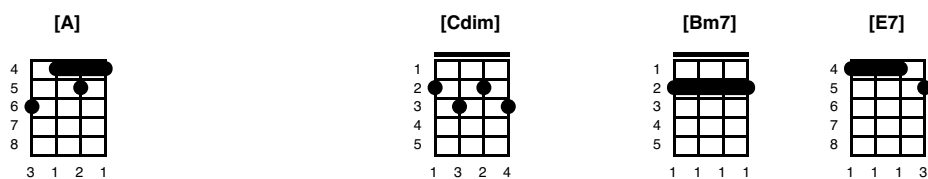

Part 1:

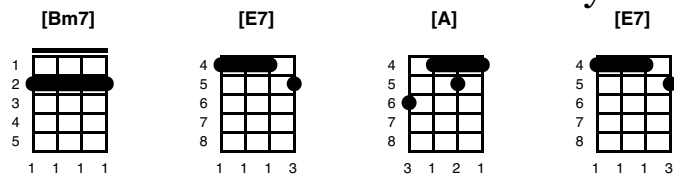

Won't you play a simple melody

Like my mother sang to me

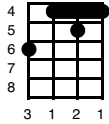

One with a good old fashioned harmony

Play some simple melody

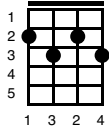

Part 2:

[A]

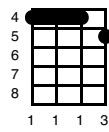

Musical demon set your honey a dreamin'

[Cdim]

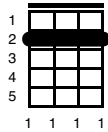

[E7]

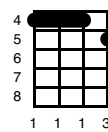

Won't you play me some rag

[Bm7]

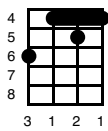

[E7]

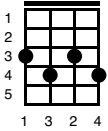

Just change that classical nag

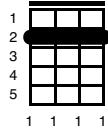

[A]

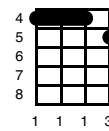

[Bbdim]

[Bm7]

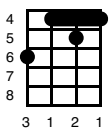

[E7]

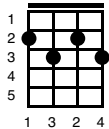

To some sweet beautiful drag

[A]

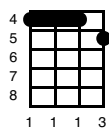

If you will play from a copy of a
Tune that is choppy

[Cdim]

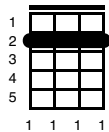

[E7]

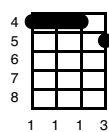

You'll get all my applause

[Bm7]

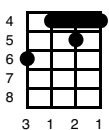

[E7]

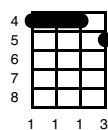

And that is simply because

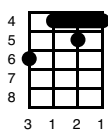

[A]

[E7]

[A]

I wanna listen to rag

Part 3:

Two vocalists sing each part simultaneously
