intro chords:

verse1:

Every thing went wrong

And the whole day long

I'd feel so blue.

For the longest while

I'd forget to smile,

Then I met you.

Now that my blue days have passed,

Now that I've found you at last,

chorus:

I'll be loving you always

With a love that's true always
When the things you've planned

Need a helping hand

I will understand always Always

Days may not be fair always

That's when Ill be there always

Not for just an hour

Not for just a day

Not for just a year

But always

verse2:

Dreams will all come true,

Growing old with you

And time will fly,

Caring each day more

Than the day before

Till spring rolls by.

Then when the spring time has gone,

Then will my love linger on,
