Ukulele music is like a sunny day

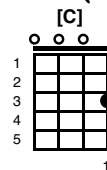

Ukulele music will chase the blues away when

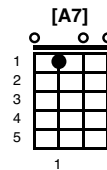

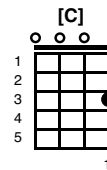

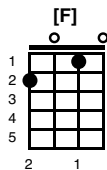

it is gloomy and gray

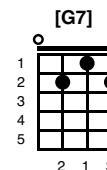

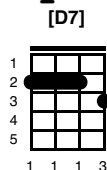

Some people only have one (Ukulele)

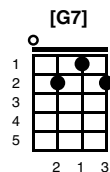

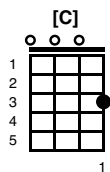

Some people might have two (Ukuleles)

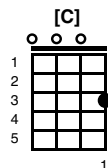

Other people like to have a lot of ukuleles

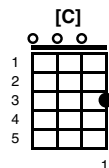

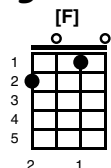

And this is what I have to say to you

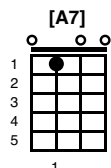

There's nothing like a wall of ukuleles

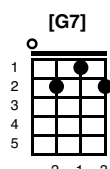

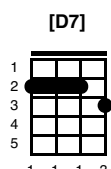

To brighten up anybody's room

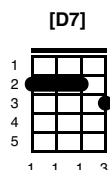

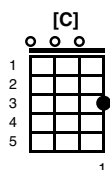

Some People like to decorate a room with

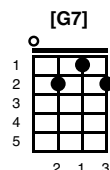

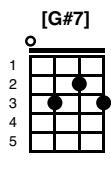

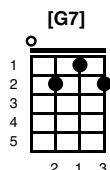

flowers

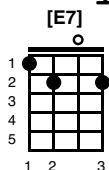

But their beauty only lasts a matter of hours

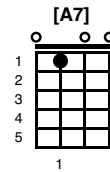

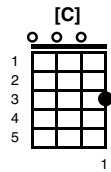

A ukulele's beauty will never fade away

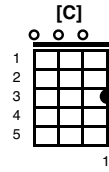

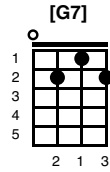

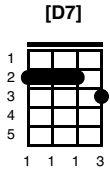

And as you're walking by you can take one down

to play

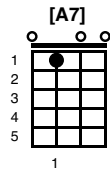

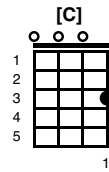

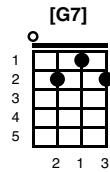

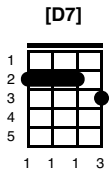

There's nothing like a wall of uku leles

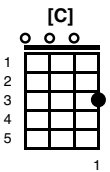

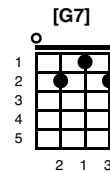

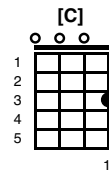

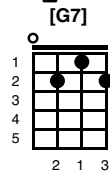

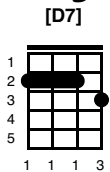

To brighten up anybody's room

repeat entire song and end with:

To brighten up anybody's room

To brighten up anybody's room
