

# Levee Lou

sheet music key: A-flat

music by Gus Edwards • words by Edward Madden • 1912

Lev - ee Lou, where are you? Hon - ey, don't you tell me I'm for - got - ten.  
Where's your ma? Where's your pa? I get such a creep - y kind of feel - ing,

I'm out here, wait - ing near, Hid - ing right be - hind the bales of cot - ton.  
If they see you with me, They'll be chas - ing me for chick - en steal - ing.

Moon is bright, lov - ing night, Down the stream, the ban - jos come a - ring - in'.  
There's one hope, we'll e - lope, Cud - dle up, my hon - ey, don't you shiv - er.

Don't you tease, come out, please, Can't you hear me on my knees a - sing - in'?  
We can float in my boat, While the moon is shin - ing on the riv - er.

Lev - ee Lou, when the south - ern moon is dream - ing, I sit and  
dream of you On the Mis - sis - sip - pi shore while can - dle - lights are gleam - ing.

Sigh - ing, too! Like a steam - boat when it's steam - ing, Oh, how I  
want you, want you, want you my Lev - ee Lou.
