sheet music key: G

Spencer Williams • 1917

Oh, Mis - si - sip - pi, oh, Mis - si - sip - pi,

My heart cries out for you in sad-ness, I want to be where the win-try winds don't blow

Down where the south-ern moon swings low, That's where I want to go.

I'm goin' to Tish - o - min - go, be - cause I'm sad to - day,

I wish to lin - ger way down old Dix - ie way,

Oh, my wear - y heart cries out in pain, Oh, how I wish that I was back a - gain

With a race in a place Where they make you wel - come all the time. Way

down in Mis - si - sip - pi, a - mong the cy - press trees,

They get you dip - py with their strange mel - o - dies, To re -

sist temp - ta - tion, I just can't re - fuse,

In Tish - o - min - go I wish to ling - er Where they play the wear - y blues.
