At ev - 'ry rum - ble, you see 'em grum - ble, And start a - twitch - ing, just like an itch - ing,

Ain't no de - ny - ing, it's sat - is - fy - ing, E - ven you can't sleep.

That new wig - gle, oh, that wig - gle, Makes you a slave, And it's so con - ta - gious,

it's out - ra - geous the way you be - have. Oh! That stamp - in', then jump - in'

and romp - in' all a - round, And then yell - in' like a sil - ly clown. My good - ness,

this new twist - er puts a blist - er right on your tow, And there ain't no dance that can com -

pare, 'Cause it's got red hot move - ments that will

get you shot, That New Orleans Wig - gle.
