Hoagy Carmichael • 1932

If you've nev - er seen a quaint old South - ern cit - y, Just think of

New, think of New Or - leans. If you've

nev - er seen that town, boy, it's a pit - y, There's noth - ing

like, noth - ing like New Or - leans. It will re -

mind you of old - fash - ioned lace, A glass of

wine will greet your smil - ing face. And if you

ev - er see a black - eyed gal like mine, boy, Then you're right

in it, right in New Or - leans.
